

## Enterprise Management System for Editorial/Publisher

### MAIN FEATURES

- :: Any kind of estimate calculation
- :: Technical editorial data sheet management
- :: Estimate detailed costs presentation/calculation
- :: Extra quantities simulation/quantities
- :: Customer and suppliers list prices definition
- :: Sub-contractors management
- :: Approval workflows
- :: Automatic imposition plan calculation
- :: Estimate margins and ratios
- :: Documents tracing

### JOBS EXAMPLES

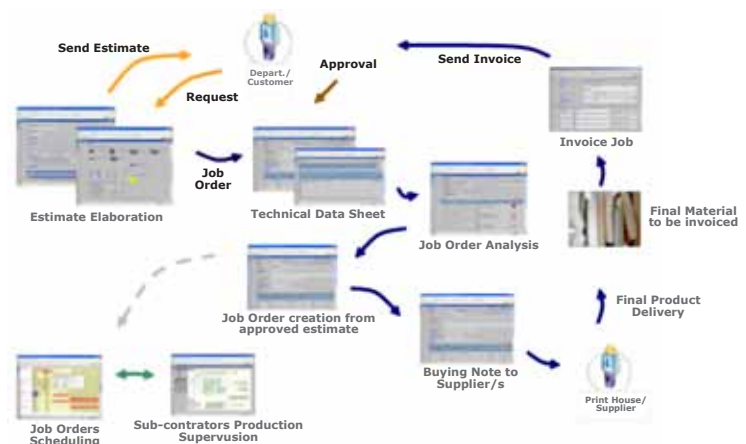

- :: Educational Books
- :: Cultural Books
- :: Scientific Books
- :: Magazines

Sistrade<sup>®</sup> Print is an ERP developed by SISTRADE, 100% web based, with most recent IT tools, like Microsoft's SQL Server 2005.

Looking for specific features, publisher houses demanded SISTRADE to develop an application to deal with technical editorial data sheets management and estimate, internally, each project using information shared by their sub-contractors, printing houses.

### ESTIMATE HEADER

- :: Header where one can describe general data like client/department/associate name, address, sales rep, producer, payment terms, delivery data (that can be different from first address and even different from invoicing address), quantities, delivery dates, etc.;
- :: Departments definition;
- :: Workflow, with pre-defined set of rules;
- :: Job Order generation after estimate approval;
- :: Technical maintenance, with estimate general data;
- :: CRM data, where one can find monthly consumptions;
- :: Estimate's general data;
- :: Technical data sheet support for confection type, articles and special machine characteristics;

## ESTIMATE DETAILS

- :: One can define machine set from different suppliers/sub-contractors;
- :: Price lists for sub-contracted services;
- :: Extensive operations identification for each component
- :: Automatic imposition plan calculation;
- :: Plates and paper consumptions calculation;
- :: Other materials incorporation in pre-defined components;
- :: Gifts definition and their handling;

## EDITORIAL TECHNICAL DATA SHEET

- :: It stores all information related with created estimate, previously recorded and later approved by client/department;
- :: It obeys to a defined set of rules, workflow, before any changing of status;
- :: It permits to define, by client/department, article type and issuing date, or each edition/issuing, final product with all operations, number of printings per operation, final product components/article, handling, dimensions, etc.;
- :: Edition's delivery plan;
- :: Editions ID, authors, producer, ISBN, etc.;
- :: Different jobs association in same project;

## JOB PRODUCTION

- :: Monitoring process of industrial production;
- :: Job order issuing and management;
- :: Industrial costs;
- :: Comparison between estimated and real-cost on production;
- :: Quality tracing and control;
- :: Production data collecting;
- :: Project dossier concept;
- :: Job/operations scheduling;
- :: Job dossier management;

## ESTIMATE COSTS CALCULATION

- :: Components and setup general costs;
- :: Costs centres: pre-press, press and finishing;
- :: Detailed costs report for internal and sub-contracted production/operations;
- :: Operations, including sub-contracted phases and graphical design;
- :: Extended reports on costs, with explained cost for each resource/material;
- :: Total cost with cost/income identification;
- :: Financial margins setup/application, with margins ratios, commissions, administrative costs, fixed costs, rappele, etc.;

### Modules of ERP | MIS SisTrade® Print system:

- :: Commercial Management & Estimating
- :: CRM
- :: Stocks & Purchases Management
- :: Production Management
- :: Scheduling - Production Planning
- :: SCADA - Supervision & Data Acquisition
- :: Balanced ScoreCards
- :: E-business
- :: Mobile Business
- :: Quality Control
- :: Equipment Maintenance
- :: Electronic Invoicing
- :: Banks Management
- :: JDF - Job Definition Format

### SisTrade® Solutions for industry of:

- :: Commercial Print
- :: Flexible Packaging
- :: Boxes
- :: Labels
- :: Digital
- :: Envelopes
- :: Forms
- :: Editorial/Publisher
- :: Metalworking
- :: Textile
- :: Food
