SUCCESSFUL PARTICIPATION AT DRUPA 2016

Once again, SISTRADO participated in the international fair of printing industry drupa 2016 in Dusseldorf. This fair is the biggest and the most important fair for printing industry. During the 11 days of the fair, SISTRADO stand was attended by several hundred companies from different continents, from countries in the Middle East, Latin America, Northeast and Southeast Europe, Germany, Spain, Portugal, Turkey and other. One of the main objectives of SISTRADO in this fair was the consolidation of its brand in the international market, taking the advantage of the participation in the event to develop and expand contacts with different clients and partners.

The success of the fair resulted in contacts with various companies in different countries, the brand recognition and an increasingly strong position in the market! SISTRADO continues to focus on the communication of its software in very important fairs, a strategy that has provided positive results over the years.
